Hi Tomas,

I forgot to mention that David A and I were discussing the need to give OGWDW (Peter) and/or his folks an update on our progress with CA on the class II UIC program. We last updated them in the Fall (around October). Since David is out the following week, I think we should do this next week if we can. I may end up being that we brief his new Drinking Water Protection Division Director but I just wanted to check in that you are ok if we make the offer at Peters level due to his prior involvement. Let me know. Thanks

Mike
